Hoi An – Motorbike tour – Vietnam real life experience - Authentic tour

Travel time 9am - 4pm

Pick-up from the hotel in Hoi An travel to the dock for about 50 minutes Cruise on the river Thu Bon. Along the way you can be impressed by the local life on land and river. After the cruise the motorbike driver will be waiting for you. Let's start the trip to get to know the local life area. Spectacular views of rice fields at different stages from other agricultural crops like peanuts and more.

We made our way to Go Noi village. We will stop at the Red Gold Growing and Packing Plant. It is the chilli that the locals love to spice up every meal.

We will continue into the grasslands where we can see Vietnamese BMWs working in the fields. Maybe we can see them paddling in the mud and taking pictures with them. Enjoy the views of the villages and the local fishermen and field workers. We will continue to flower / herb farms and it all depends on the season ..Sunflowers or palm trees and various flowers. After a short break and filming we will continue to the QUE SON area . There we can enjoy special sights to which tourists have not yet arrived. Villagers are following the buffalo or cow. Workers in the fields wearing the typical Vietnamese hat and clothes. Special photos of rare sights to happen on our way.

Enjoy a local lunch before we start a special scenic route back to Hoi An.
